

The Game of Things		
Things learned from your father	Things you would buy second hand	Things to say as a good excuse
Things you shouldn't say in a personal ad	Things that require special equipment	Things that belong in an emergency kit
Things you shouldn't say on your first date	Things that are dangerous	Things that make you go ahhh
Things you have (or should have) in the trunk of your car	Things that are boring	Things you can smell
Things you would cook in a frying pan	Things that they say in England	Things that fall
Things you shouldn't do when it rains	Things that are flat	Things that make loud noises
Things you want to buy	Things that are always more than one colour	Things that changed the world
Things you might hide in a book	Things you learned in science class	Things that bite
Things you should not wear on a beach	Things that you are superstitious about	Things are white
Things you hate about shopping malls	Things everyone should know how to do	Things you might find in your garden
Things that make you laugh	Things you should never say in your resume	Things you overhear when someone is making cell phone call
Things that you wear in the winter	Things you don't need	Things that are good in a pie
Things you do when you think no one is looking	Things that need air	Things that come in pairs
Things you can never find	Things that a super-hero can do	Things make music
Things dogs are saying when they bark	Things take more than a week to make	Things you do when it snows
Things you shouldn't tie to the roof of your car	Things to do to remember important occasions	Things that you can make with potatoes
Things you can't recycle	Things people do because they think they are cool	Things that take two people to carry
Things you might find on a beach	Things that are hard on the outside but soft on the inside	Things you had when you were a kid that you wish you had kept
Things you would never try to repair	Things that remind you of the eighties	Things that fit in a shoe box
Things that have expiry dates	Things that you shouldn't do while driving	Things that you put in soup
Things that you never have enough of	Things that you cannot hear	Things that a movie star would say
Things that have chocolate in them	Things that you cannot see	Things you want to say to Gordon Campbell
Things that you need to cut with scissors	Things that might see in a 'still life' painting	Things you would read in a newspaper

Things the Queen would never say	Things that might be a prize in a contest	Things that is cold
Things that you shouldn't say to the Queen	Things you can fix with glue	Things you learned from your Mother
Things you bring home from vacation	Things you can do with rope	Things you would never pay more than \$1 for
Things that make you go hmm	Things you might find in Egypt	Things people do when no one is looking
Things that can be used to store pencils	Things that a fortune teller might tell you	Things you can never find
Things that you do only once a year	Things you would find in a kitchen	Things dogs are actually saying when they bark
Things you can't take on an airplane	Things that make you feel stupid	Things you shouldn't tie to the roof of your car
Things you can use duct tape for	Things you should do once, and only once	Things you don't believe in
Things you would never find in a zoo	Things that make you laugh	Things that fit in a pocket
Things you would never give as a birthday present	Things that you go to court for	Things that tell you you're getting old
Things you shouldn't say to your mother	Things you can say in a foreign language	Things you shouldn't leave on your desk
Things that wouldn't fit in a suitcase	Things that are traditions	Things you might find under a carpet
Things that you do in the morning	Things that a hero might say in a movie	Things you would do on the Moon
